MACAO PIRATICAL INCIDENTS.

On January 20th five pirates, who pretended to be ordinary passengers on board a steam launch running between Colowan and Macao, when about half way on the passage suddenly produced revolvers, and, threatening the captain, ordered him to proceed to Nanshui where two small junks were waiting. From these a number of pirates came aboard and took possession of the passengers' belongings and a sum of money amounting to about \$3,000, which was being sent to Macao by certain fish dealers in Colowan.

On the same evening just before the s.s. Kiangtung left Macao for Canton the watchman and the compradores' staff, on seeing a number of suspicious-looking passengers without any luggage, informed the captain, who telegraphed to the authorities requesting that a search should be made. A few minutes later the ship was guarded by about twenty police and a search was carried out with the result that a large number of cartridges and revolvers were found concealed in cargo baskets. About thirty (people) were arrested on suspicion, pending satisfactory explanations by certain Macao people.

LAW OF ENGAGEMENT RINGS.

Can a woman legally retain her engagement ring after she has broken off the match? The point was raised at the Thamis Police Court on January 10 when Mr. G. Young, solicitor, applied for a summons against a young woman. He said his client gave her a diamond ring when they became engaged. She had since broken off the engagement, but refused to return the ring. He (Young) submitted that his client was entitled to the engagement ring if it was given conditionally to the parties being engaged. He believed the late Justice Bageot decided that when an engagement was broken off the ring must be returned, and that was the custom among the Jews. Mr. Gill said the return of the ring might be a question of sentiment, or even honour, but at present it was not necessary to say it was obligatory. Until Mr. Young could produce further evidence he could not make a judgment.

NAVAL NEWS

Admiral Sir Edward Seymour, who has been appointed to the command of the China Station, has arrived. His Vice-Admiral, Captain and Commander H. V. Moore, will be the senior vice-admiral in command of the Station. Captain H. V. Moore, an officer of 18 years' service, and a gunnery officer, has been appointed to the command of the ship, and his subordinates include Lieutenant C. H. Shaw, who will act as navigating officer, and who has been serving with her for the past 10 months; Lieutenant W. V. Rice, Lieutenant M. M. Waterlow and Sub-Lieutenant A. G. Wilson.

Commander Collins, who was promoted to that rank, with 21 other officers at the New Year, has been first Lieutenant of H.M.S. Kent, on the China Station, since December, 1909. He reached the rank of Lieutenant 12 years earlier, viz., in December, 1899, and has since served on various stations. It may be recalled that another of the newly-promoted officers, Commander Briggs, obtained his rank of Lieutenant in September, 1899, with three first, while serving in the Flygy, on the China Station. He distinguished himself at the capture of the Shan-hai-kwan Forts, being mentioned in Sir Edward Seymour's despatch, and receiving the China medal.

Several members of the newly-appointed War Staff for the Navy have seen considerable service in the Far East. The chief of the War Staff, Rear-Admiral Ernest C. T. Troubridge, acted as naval attaché in Tokyo, witnessing in 1904 the early operations of the war in the Far East, with the Japanese Fleet. He was present at the battle of Chemulpo, and at the actions of Port Arthur. Rear-Admiral David Beatty, as Commander of the Cruiser, showed exceptional tenacity in endeavouring, with 200 bluejackets, to capture two Chinese guns that caused considerable trouble to the force and inhabitants at Tantien, June, 1900. He managed to get close to the guns, but a heavy fire therefrom necessitated withdrawing his force. Although twice wounded, he still led his men in the attack. Captain George A. Ballard, who is to be the director of the Operation Division of the War Staff, received the Third Class of the Japanese Order of the Sacred Treasure in connection with the negotiation of the Anglo-Japanese alliance. He was lately in command of the cruiser Philomel in the East Indies Squadron. Captain Thomas Jackson was naval attaché in Tokyo in 1906.

The following appointments have been made at the Admiralty:

Lieut.: H. V. Sils, to the Merlin, J. Horsfield, to the Monmouth, A. M. C. Stileman, to the Clio, D. J. Claris, to the Thistle; temporarily, all reappointed in lieu of a Sub-Lieut., to date December 31; J. H. Godfrey, to the Bramble (N.); and J. G. If the weather is fine on Monday
afternoon the band of the K. O. Y. L. I.
will give selections on the ground of the
Hongkong Cricket Club during the cricket
match. The officers of the garrison will be
"at home" to their friends on that occasion.

We are informed that a further exam-
ination of the takings of the Holloway Lang
Company during their Hongkong season
shows that the detail receipts of the
bookings and door receipts are slightly
incorrect. The total of \$17,000 odd is,
however, accurate.

We wish to remind our readers of
Capt. Price's balloon ascent and parachute
descent, which is to take place on Mon-
day afternoon about 4 o'clock from the
E.K. and K. Wharf and Godown Co.'s
premises behind the Kowloon railway
station. The 8th Rajput's band will be in
attendance.

Regulations made by the Governor-in-
Council relating to the exemption of ship's
stores from duty, King's warehouses,
licensed warehouses, distilleries, exemption

be used for denaturing spirits, breaking
down, blending, mixing and bottling, etc.
have been revoked and new ones sub-
stituted, details of which appear in this
week's issue of the Hongkong Government
Gazette.

SOCIAL AND PERSONAL.

Major W. G. Tyddon, R.A., has been
promoted from 5th Class to 3rd Class
Ordnance Officer.

on February 11. His death is greatly
mourned in Manila.

President of the Chinese Republic, passed

leaving for Shanghai.

His Excellency has been pleased to ap-
point Mr Thomas Folkes Claxton to act as
Director of the Observatory during the
absence on leave of Mr F. G. Figg, with
effect from the 14th inst.

His Excellency The Governor has been
pleased to recognise, provisionally and

equator, Mr Shinsu Imai as Consul General
for Japan in Hongkong.

CORRESPONDENCE.

A PUBLIC DANGER.

(To the Editor of the "CHINA MAIL")
Sir.—There is a most serious danger
threatening all who use Barker and Plant-
ation Roads, owing to the gross care-
lessness of whoever is constructing the new
road leading from the Peak Hotel to Plant-
ation Road.

Yesterday, early in the afternoon, an
immense boulder fell up on Barker Road
completely carrying away about 12 to 15
feet of the road and the iron railings for
about 30 feet of the road. One shudders to
think what the consequences would have
been had the usual number of children
been playing in the vicinity.

Everybody's attention and alarm is not
exercised by the Public Works Department
over the contractor who is carrying on
the work of the new road.

The two houses near by are evidently
in a very bad danger zone, and I for one
do not care to live in either.—Yours
faithfully.

PEAKITE.

FRIDAY.

(To the Editor of the "CHINA MAIL")
Sir.—In reading your article on the
Lang-Holloway Company's return wine,
I notice that the date of restoration to
stocks being necessary has been omitted.
I did to me. I mention this to Mr
Bainbridge, and he said that
any time in the month of November
would be good for "Bardale,"
and that it would be safe to drink
it in November. I will do so.

HONGKONG'S
NEW
GOVERNOR.SIR HENRY MAY
APPOINTED.(Reuter's Service to the *China Mail*)

London, Feb. 16.

It is officially announced that Sir
Henry May, at present Governor of Fiji
and High Commissioner of the Western
Pacific, will succeed Sir Frederick
Lugard as Governor of Hongkong.

Notice is given that it is proposed
to make an order for narrowing Staunton
Street by cutting in it a lane to be used to
be used as a vegetable and fruit market.

Owing to the inclement weather the
regular sports of the Rajputs were
postponed on Friday; while the dance to
be given on the Minotaur that evening had
likewise to be put off.

The body of an elderly temple keeper
was found on Feb. 14th on the railway
near Tai Po. It is stated that he was
knocked down by the afternoon express
while crossing the line.

BRITISH COAL CRISIS.

GENERAL STRIKE LIKELY.

Situation Exceedingly Serious.

(Reuter's Service to the *China Mail*)

London, Feb. 17.

The South Wales Coal Conciliation
Board, on the casting vote of Lord
St Aldwyn, the independent chair-
man, has granted the miners a general
increase in wages.

The owners have indicated their
willingness to again discuss the crisis,
but they cannot grant a minimum
wage.

The last batch of miners' notices
were handed in to-day. They show un-
doubtedly that every district is in
favour of a strike.

The situation is most serious, for
British trade is threatened with a dis-
aster the full extent of which cannot
be realized, as such a dislocation is
hitherto unknown.

People of all shades of opinion insist
on Government action to avert the
strike which is due in a fortnight.

KING GEORGE V.

(Reuter's Service to the *China Mail*)

London, Feb. 16.

The Sultan of Turkey has conferred
on King George the Order of Imitiaz,
set with brilliants. This simultaneous
bestowal of two of the highest Turkish
decorations is unprecedented.

U. S. ARMY SENSATION.

(Reuter's Service to the *China Mail*)

London, Feb. 16.

A telegram from Reuter's correspond-
ent in Washington states that Adjutant-
General Ainsworth will be relieved of
his duties and court-martialed for using
language which the Secretary for War,
Mr. Simon, considered impugned the
integrity of himself and other officers.

AUSTRALIAN POLITICS.

London, Feb. 16.

The South Australian Cabinet has
resigned, and Mr. Peake is forming a
Ministry.

TOKYO TRAMS AND
LIGHT.(Reuter's Service to the *China Mail*)

London, Feb. 16.

It is announced that the preliminary
arrangements have been made for the
use of a loan of nine millions sterling
in bonds bearing interest at 5 per cent.

MUNICIPALISATION LOAN.

(Reuter's Service to the *China Mail*)

London, Feb. 16.

Sir Edward Grey has informed
Viscount Wolmer that the Government
is making full and independent enquiries
into the murder of the Rev. Mr. Douglas
in Portuguese Africa. Representations

M.C.C. GOING STRONG.

(Reuter's Service to the *China Mail*)

London, Feb. 16.

In a delightful weather and in the
presence of a fair attendance, the
Marylebone team commenced a match
against New South Wales at Sydney on
a perfect wicket. The home team
expressed that the statement will
certainly press their efforts to a
satisfactory settlement between the two
nations.

POOR SHOW BY N. S. WALES.

(Reuter's Service to the *China Mail*)

London, Feb. 16.

Is the Public Works Department
not to be blamed for the poor show
put up by the New South Wales
team, which was due to the
inability of the players to get
a wicket to play on?

AMENDMENTS TO ADDRESS
DEBATED.(Reuter's Service to the *China Mail*)

London, Feb. 16.

Mr. Ramsey Macdonald's Labour
amendment to the address was rejected
by 226 votes to 45, and the amendment
of the Unionist, Mr. Peto, seconded by
Lord Hugh Cecil, regretting that the
Government had taken no steps to
promote the co-partnership of capital
and labour was rejected by 195 votes
to 97.

Mr. J. M. Robertson, Under Secretary
of the Board of Trade, in opposing both
amendments, said the Government
warmly sympathised with the profit-
sharing movement, but no evidence had
been produced to show that they could
do anything in the matter. He questioned
the practicability of the national-
isation of railways or mines, and
whether, if effected, it would cure the
labour unrest.

The last batch of miners' notices
were handed in to-day. They show un-
doubtedly that every district is in
favour of a strike.

The situation is most serious, for
British trade is threatened with a dis-
aster the full extent of which cannot
